

*Fuoricampo Cinema Giovane FilmFest* is promoted by the “Artu Parents Association” in Rome, in collaboration with “Mirabilia” Cultural Association and the Comprehensive Institutes of Rome “Ennio Morricone” and “Via Nicola M. Nicolai”. Considering the years of experiences in promoting cinematographic workshops, the Association would like to offer **young filmmakers (no older than 19 years of age)** and **schools of any order and level** the opportunity to present in public their works. The objective, in fact, is to value the cinematographic art through the works of promising young artists and the products developed within schools. **The competition is also open to filmmakers who use children or young people as protagonists of their films.**

The Festival provides 3 categories:

- **CortoRagazzi** (reserved to filmmakers *under 19*);
- **CortoScuola** (reserved to schools, with the proper distinction among the various levels);
- **CinemaGiovane** (reserved to filmmakers *over 19* who use young actors - no older than 19 years of age - as protagonists).

The contest provides a selection of the submitted works, compiled unquestionably by the Festival Management, that will weigh artistic and cultural values of the works, and the maximum number of hours of projection in the program. The selected works will be presented, commented and projected during the final review which will take place in Rome **from 23 to 27 February and on 4 March 2026** (more details will be communicated both on the Festival website and via email to each participant).
